

include/DrawObject  
/DrawFillRect.hpp

```
graph TD; A["include/DrawObject /DrawFillRect.hpp"] --> B["DrawObject.hpp"]; A --> C["../Color.hpp"]
```

The diagram illustrates the include dependencies for the file `include/DrawObject/DrawFillRect.hpp`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left arrow points to a box containing `DrawObject.hpp`, and the right arrow points to a box containing `../Color.hpp`. This visualizes that `DrawObject/DrawFillRect.hpp` includes both `DrawObject.hpp` and `../Color.hpp`.

DrawObject.hpp

../Color.hpp
