

include/Exception.hpp

```
graph TD; A[include/Exception.hpp] --> B[exception]; A --> C[string];
```

A diagram illustrating a C++ header file's dependencies. At the top, a gray rectangular box with a black border contains the text 'include/Exception.hpp'. Two blue arrows originate from the bottom center of this box. The left arrow points diagonally down and to the left, ending at a white rectangular box with a gray border containing the text 'exception'. The right arrow points diagonally down and to the right, ending at a white rectangular box with a gray border containing the text 'string'.

exception

string
